

Exposure 2020

Ceres Gallery presents 10 simultaneous exhibitions each week for 5 weeks with space available for both two and three-dimensional work. Each artist will be able to fully avail themselves of approximately 12-17 running feet of wall space (depending on which wall they are assigned) with 10+ foot ceilings OR approximately 80-100 sq ft of floor space. **Each week will consist of 1 artist with work on stands/floor and 9 artists each with work on one of nine pre-designated wall spaces.**

These one-week exhibitions will begin **Nov 17** and continue through **Dec 19, 2020** at our 2000+ sq ft premiere gallery space in Chelsea.
