

Exposure 2022

Ceres Gallery presents 10 simultaneous exhibitions each week for 4 weeks with space available for both two and three-dimensional work. Each artist will be able to fully avail themselves of approximately 12-17 running feet of wall space (depending on which wall they are assigned) with 10+ foot ceilings OR approximately 80-100 sq.ft. of floor space. Each week will consist of 1 artist with work on stands/floor and 9 artists each with work on one of nine pre-designated wall spaces.

These one-week exhibitions will begin **Tues, Nov 29, 2022** at our 2000+ sq ft premiere gallery space in Chelsea.

The amount will be net of credit card use fees. Sales paid by check will be written to the artist's name and will have no fees deducted.
